

Above are a few images from our trip to Karachi, Pakistan. Our family in the hotel lobby, one of the many church services we attended and shared at, and even a dinner on food street where we sat on the carpet covered tables and shared a meal with some of the local church leaders.

So much has been happening that it's difficult to decide what to share and in what order! After two years of COVID, we were finally able to get our pre-field trip in to Karachi, Pakistan. We were able to meet some of the pastors, church leaders, college students, and congregants. And with only a mild toe injury and one bout of not feeling well due to the lack of sleep, it was a huge success. The Urdu radio program, Chashma Hayat, launched Easter weekend this year, which we were able to assist in getting that going (as well as editing the audio). Drew is getting ready to start teaching two more classes at the George Theological College in Karachi while the rest of the family is finishing up the school year. We are continuing to meet with

people and churches, trusting the Lord to help us finish partner building so we can move to Karachi and better serve the church there. Please keep us in your prayers in this regard. Also, we ask that you keep the new radio ministry in your prayers. Sharing the hope and love of Jesus in this environment does get noticed, and they are already starting to have some negative messages come through.

God is *MOVING*

We are happy to report that we have crossed the half-way marker on this journey! We are so blessed and honored to be meeting and partnering with so many wonderful people and churches.

Also, we have a matching campaign for monthly automated recurring gifts happening April 30 thru May 6! Please join and partner with us in the mission to the Church in Pakistan.
