MISSIONARIES TO UGANDA

THE GOD OF MIRACLES

JULY - SEPTEMBER 2022

God's word is true - and the rediscovery of this is constant. We value you as part of our team, and for the many that come to visit, to invest in time and energy, to walk along side, create memories, and enjoy sweet fellowship, realise that when you leave, there is a longing to keep connected and eventually return. The fruits of these visits are seen in many ways: child sponsorship partnerships, health restoration due to medical treatment, healing through spiritual renewal, financial support and prayer. This is so affirming and we witness God's miracles transforming our world here!

OPPORTUNITIES:

If interested in sponsoring a child, contact:

Children of Promise (USA) <https://childrenofpromise.global/>

Furaha (Canada) <https://fararelief.com/>

KHW Global Care (Germany) <https://global-care.de/>

Sponsorship of a child that was delivered 12 years ago and newly created sponsorships

ROCKY MOUNTAIN WEDDING FOR LOGAN AND JESSIE

We were thrilled to engage in the wedding ceremony of our son Logan and our new daughter-in-love, Jessie. The entire day was encapsulated with moments of joy and love, with many guests from both sides of the family who had been part of their lives since they met. The stunning venue of the Rocky Mountains in Alberta was the backdrop of the wedding, and Jessie's home area. Four generations of family were involved, and we are embracing the expansion our new family! God is a miracle designer, and daily we are reminded of the true blessing of family. Every occasion and opportunity we have have to be together is a testament of divine favour!

MINISTRY ON THE WATER...

The Crossroads team from Lima, Ohio, were a great asset to the Jinja area churches in and around Lake Victoria. Seminars were held in the Danida slums in Jinja town, and then onto Kikondo landing site and onwards to Buvuma Island. Lots of teaching, games and camaraderie were experienced with the children and youth, and in addition health sessions with the women focusing on relaxation and stress alleviation. Tumaini Aids Prevention program (TAPP) visitation occurred with communities surrounding our church areas. These partnerships with our supporting churches are such an encouragement to us and to the church as a whole.

SEASON OF STRONG GROWTH FOR HERITAGE!

Heritage International school has opened its doors this fall with the highest student population ever! We are thrilled and a bit overwhelmed! The momentum of the school growth continued throughout the times of on-line learning and many closures. Another sign of God's miraculous protection and intervention.

Tim is on ground making sure that the Sanctuary (mini chapel) is getting finalised, in addition to the upstairs seating area of the Chapel. Jesse is still in his role as Head of Security and Campus Development and assists Tim where he can with building supervision. The activities on site, such as sporting activities, the farmer's markets, parent gatherings, and special events, have all resumed! What a great feeling! We are thankful that Daniel and Logi Muttiah from the Church of God in Eastern Canada have stayed on as the Head of School and teaching.

OPPORTUNITY:

If interested in administration or teaching opportunities, please check:www.heritage.co.ug

The Sanctuary, mini chapel with all its glass bottles and exotic wood, the stairs leading to the upstairs balcony and a view from the upstairs balcony that is now in use.

GLOBAL VOICES TRAVEL TO EUROPE - GROSSE FREUDE!

This opportunity for Ugandan youth who are musically talented comes biennially. Due to Covid, the last trip was postponed, but, this year it occurred, with some trepidation, due to large gatherings. We thank God that no one in our musical team came down with Covid or any sickness. This was a true testament to God's miraculous protection.

Concerts occurred daily, with visits to senior facilities, schools and three different countries. What a fantastic experience for the six students, Edrin Serwano and myself. Kinderhilfswerk Global Care took care of all of our travels, host homes, and times of adventure. Danke Schön!

REGIONAL COORDINATOR'S VISIT

We hosted Dr. John Johnson, the regional coordinator for Africa for six days. He participated in various programs in our church schools, from nursery to high school and vocational training schools, in addition to some departments of the church, such as the women's executive and the new executive committee.

The Global voices choir in a concert!

FIND YOUR STRIDE CAMPAIGN was a real success, and we thank all those who prayed, encouraged and participated in financial contributions. We are so grateful. We continue to ask for your prayers for our family as we work through family challenges with aging parents and vast distances that separate us during critical times.

Prayer for Colleen as she travels to Orlando, Florida to share on missions, is also appreciated! Your support and love for us really means so much.

In His service,
Tim & Colleen

"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus" 1 Thessalonians 5:16-18

OPPORTUNITY:

If you would like to be part of our Living Link support team, give to Tim and Colleen Stevenson, Church of God Ministries, Project #: 42.10078.
