KIST* Scholarships

About This Project

KIST* Student Scholarships continue to create opportunities for students to receive a quality education in theology and thus positively impact their churches and communities. This project supports KIST* students in pursuing four different types of programs:

- **Certificate Program**: A one-year, entry-level program in Bible and theology, which costs $1,125 per student per year.
- **Diploma Program**: A three-year program in Bible and theology, which costs $1,200 per student per year.
- **Bachelors of Arts (BA) Program**: A four-year program in partnership with Kenya Highlands University which costs $1,295 without external accreditation and $1,500 with external accreditation.
- **Theological Education by Extension (TEE) Program**: A unique, distance-learning and training opportunity in partnership with the Church of God in Kenya. The cost is $29 per course.

Your Impact

Project manager and president of KIST*, Dr. Okoth, shared that these scholarships have helped students by reducing the fees to a manageable amount as well as clearing the fees for students who come from low-income backgrounds. The scholarships cover “75% of the Church of God students and 25% of the non Church of God students.” Without these scholarships, many church leaders would not be able to have a strong, theological foundation that is so critical for healthy churches. Thank you for empowering these leaders through your support and prayers!
